SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT (SIDS)

Dear Sir:

In accordance with 37 CFR 1.97, Applicants hereby bring to the attention of the Examiner the references listed on the enclosed Form PTO/SB/08a/b. Applicants enclose copies of all cited references, and respectfully request that the references be considered and made of record in the above-referenced patent application.

Applicants invite the Examiner's attention to the enclosed Form PTO/SB/08a/b with reference to the following comments. References AJ, CA, CB and CQ-CS were cited during prosecution of related pending U.S. application Ser. No. 09/286,166, which is cited on the enclosed Form PTO/SB/08a/b as reference AK. This pending

application was previously cited as AB in the SIDS filed on October 19, 2004. However, at the time, the undersigned was no longer in possession of the application, as it had been transferred to another attorney for prosecution. However, subsequently, the application was sent back to the undersigned for prosecution, and Applicants are pleased to enclose a copy of that application.

Applicants further note that the claims of reference AK (U.S. Ser. No. 09/286,166) were copied from U.S. Patent 5,691,188 to Pausch, *et al.*, cited herein on the enclosed Form PTO/SB/08a/b as reference AJ. All the claims of reference AK have been held allowable but further *ex parte* prosecution has been suspended because of a potential interference with reference AJ (U.S. Patent 5,691,188).

In addition, copending related application Ser. No. 10/600,003, cited herein on the enclosed Form PTO/SB/08a/b as reference AL, is a continuation of reference AK (U.S. Ser. No. 09/286,166) and also contains claims copied from reference AJ (U.S. Patent 5,691,188). Reference AL is awaiting substantive examination.

Applicants also note that references AA-AI, BB and CD-CP listed on the enclosed Form PTO/SB/08a/b were cited during *ex parte* reexamination of U.S. Patent 5,401,629 to Harpold, *et al.*, which was made of record in the instant application as reference A6 in the IDS filed July 2, 2001.

This statement is not to be interpreted as a representation that the cited documents are material, that an exhaustive search has been conducted, or that no other relevant information exists. Nor shall the citation of any document herein be construed *per se* as a representation that such document is prior art. Moreover, Applicants understand the Examiner will make an independent evaluation of the cited documents.

Pursuant to 37 C.F.R. §1.97(c)(2), Applicants authorize the Director to charge the \$180.00 fee prescribed by 37 C.F.R. §1.17(p) to our Deposit Account No. 04-1105, under Order No. 60637C5DV(50370). Applicants also authorize the Director to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith, or credit any overpayment, to our Deposit Account No. 04-1105, under Order No. 60637C5DV(50370).

Respectfully submitted,  
  
By Peter C. Lauro, Esq.
